- 1. Adopt the minutes of the August 22, 2022 call**
The committee approved the minutes unanimously.
- 2. EclipseCon 2022**

Frédéric Desbiens updated the committee about EclipseCon preparations. Over ten projects have signed up to deliver updates during Community Day. As for Hacker Day, most of the details about the organisation of the room and the networking infrastructure have been decided. However, we need to promote the event further to ensure a larger audience.

3. Marketing update

Hassan Jaber delivered his [monthly marketing update](#). The Edge of Things publication on Medium.com

4. BCW 2022

Frédéric Desbiens updated the committee about the working group's upcoming presence at the Bosch Connected World conference. The Eclipse booth will be located in the section of the exhibition focused on the software-defined vehicle, which should result in excellent foot traffic.

5. 2023 Program Plan

The committee discussed specific points in the proposed 2023 program plan. The deadline to approve the plan is November 4, 2022. Consequently, the committee will need to vote at its next meeting, on October 24, 2022. This meeting will take place in person at EclipseCon.
