1. **Adopt the minutes of the November 28, 2022 call**
   The committee approved the minutes unanimously.

2. **Reminder: Eclipse Foundation Antitrust Policy**
   Frédéric Desbiens delivered a reminder about the antitrust policy of the Eclipse Foundation. In order to ensure that Eclipse Foundation activities are conducted fairly in a manner that does not unduly benefit some competitors to the detriment of others, it is important that proceedings of the organization be conducted openly and with the opportunity for participation from all interested parties.

3. **Post Mortem: IoT Day Grenoble 2023**

Frédéric Desbiens provided an update about IoT Dayt Grenoble 2023. Overall, the event was a success with over 50 participants. In-person attendance was impacted by the country-wide strikes happening in France but quite a few people connected to the Zoom broadcast. The next edition will take place in February 2024.

4. **Future of the IoT and Edge Computing ecosystem**
   Frédéric Desbiens presented [a proposal](#) to restructure the IoT, Edge Native, and Sparkplug working groups in response to recent events impacting each of them. Committee members had an exchange about the contents of the proposal.
